The Tucker Community Foundation challenges participants to raise tem support for the community cause of their choice during the Run for It 202 campaign and then run or walk for that cause in a 2k/5k event during the event on September 25, 2021.

VIRTUAL RUN FOR IT is a 2k (1.2M) walk and USATF-certified 5k (3.1M) race. This year you pick the router, set the pace and run or walk on your own schedule anywhere you want. Whether it's your treadmill, your favorite trail or your neighborhood, the most important thing is to be safe, have fun and raise money for a great cause.

The event raises funds and awareness for community organizations, projects, nonprofit agencies, educations activities, and charities located with the Foundations service area (see map below) Speed is not required to win.

At its heart, RUN FOR IT has two goals:

1. To encourage participation in a healthy activity (running and walking).
2. To leverage funds for area causes

Entry fee proceeds, team sponsor support, and cash awards benefit the racer's favorite:

- *Non-profit organization
- *Youth Group
- *Civic organization
- *Public Library
- *Community improvement project
- *School project or educational trip
- *School & Community based athletic group
- *existing or new TCR Endowed Fun and other charitable causes
